Thank you for your contribution to the inquiry by the Joint Select Committee on Australia's Clean Energy Future Legislation.

The committee has received your email as correspondence. While the committee considers the views in correspondence, it does not publish correspondence on its webpage. This does not lessen the importance of your contribution, however only those documents that went to specific detail about the Bills were published as submissions.

In the report, the committee discussed some of the key themes raised in correspondence. The report of the committee will be presented on Friday, 7 October 2011. The report can be accessed from the committee's website at <http://www.aph.gov.au/house/committee/jscacefl/index.htm>

Thank you for your interest in the inquiry.

Secretary
Joint Select Committee on Australia's Clean Energy Future Legislation
