

## **What will a Carbon Tax do for you?**

It will:

- Increase your electricity bill
- Increase your water bill
- Increase your fuel bills
- Increase all transportation costs
- Increase the cost of all transported goods
- Export jobs overseas
- Increase the domination by bureaucrats
- Make no real difference to the climate

Sponsored by the Galileo Movement ([www.galileomovement.com.au](http://www.galileomovement.com.au))
