

We,
Sun Moon Planets Stars
Control the Earth

With the Earth
(core, mantle, crust, oceans, atmosphere)
We have changed the Climate
Massively, Slowly or Rapidly
And together we are
Mightier than Man
What is a little CO₂ to Us?

Carbon
Dioxide

+

Water

STOP PRESS:

Reducing CO₂
Will Prevent
Climate Change

THE EVIDENCE:

Ed Note: We apologize.
We are unable to find any.
