

MALCOLM TURNBULL, SOCIALISTS, UNITED NATIONS, LIBERTARIANS, ALL DEMAND OPEN BORDERS

Globalists Seize Opportunity to Push Their Anti-Australian Global Agenda

OPEN BORDERS: COUNTRIES AGREE TO UN SDG GOAL 10.7 – MIGRATION UNRESTRICTED BY BORDERS

[Goal 10.7](#) “Facilitate orderly, safe, regular and responsible migration and mobility of people, including through the implementation of planned and well-managed migration policies “

UN SAYS EUROPE MUST “OPEN BORDERS” FOR “SUSTAINABLE DEVELOPMENT”

At the 29th Session of the UN Human rights Council, François Crépeau claimed abandoning national sovereignty and border restrictions is necessary for “sustainable development”. Mr. Crépeau says (1) “**democratic borders are porous by nature.**”.....& governments should be constructing...“migration policies that facilitate mobility and celebrate diversity” because “**sealing international borders is impossible.**” The UN supports “[migration without borders.](#)”

SOCIALISTS IN AUSTRALIA & AROUND THE WORLD DEMAND OPEN BORDERS

[Socialist Alternative Australia](#) state their principles clearly “We oppose all immigration controls and support open borders.” Similarly, [according to Socialism Today](#), “A Socialist World would be one without passports and borders.” [As Robert Sparrow](#) notes, open border policy is a proud tradition: “The call for open borders derives from a proud tradition of socialist internationalism”

In their [2015 ALP National Policy Platform](#), the ALP says they will force Australians to abide by “**international obligations**”, refugee policy must not be decided by Australians but rather will be decided by “international cooperation”, & “**Labor will strengthen Australia’s links with the Muslim world.**” No mention of strengthening ties with mainstream Australia however.

MALCOLM TURNBULL & LIBERTARIANS SUPPORT SOCIALIST & UN DEMAND FOR OPEN BORDERS

Like Libertarians & Socialists, Prime Minister Malcolm Turnbull supports open borders & the global agenda (2, 3, 4). According to the “conservative” “libertarian” think tank, the [Institute of Public Affairs, Australia](#) should “**relax our borders**” and “**help millions who want a better life**”, and according to Chris Berg (5), “true economic liberty means more open borders,” & (6) “individual liberty stands implacably opposed to the sort of nationalistic state sovereignty which has been the foundation of our immigration and refugee policies.” This is simply because (7) “For the libertarian mainstream, the only legitimate use of force is to protect individual rights. Since movement across a border is not in itself a violation of individual rights, closing the borders is, by definition, an illegitimate use of force.”

JOHN HOWARD CLOSES BORDERS, KEVIN RUDD, JULIA GILLARD OPEN THE BORDERS.

BORDERS CLOSED AGAIN BY TONY ABBOTT.

WILL MALCOLM TURNBULL & BILL SHORTEN OPEN THE BORDERS AGAIN, OR WILL THEY STRENGTHEN NATIONAL SOVEREIGNTY?

NOW OUR POLITICIANS HAVE SIGNED UP FOR A CONTINUATION OF THE UN’S GLOBAL AGENDA, NOW TERMED [THE SUSTAINABLE DEVELOPMENT GOALS \(SDG\) & THE POST-2015 AGENDA](#).

HAVE YOU BEEN FULLY INFORMED ABOUT THIS ANTI-AUSTRALIAN AGENDA & GIVEN A DEMOCRATIC CHOICE?

**FOR THE SAKE OF TRUTH & FUTURE GENERATIONS, DON’T LET OUR POLITICIANS SHUT THE DEBATE DOWN!
