Waiting for Response to DOES THE BOM CORRUPT CLIMATE SCIENCE IN PURSUIT OF THEIR AGENDA?

| Dear Dr Vertessy,

We are sending the email below again as we have not heard back from you. Could you please also address our query regarding Professor Karoly's publication (shown below) using what seems to be questionable data. With Jennifer Marohasy's permission we attach a Paper on her work on Regional Australia temperature data for comparison. Also with Ken Stewart's permission we attach two links to his work for comparison. Dr Marohasy is copied into this email. Please feel free to contact her if you have any questions and you can also contact Ken Stewart via her .

Regards

Dr Judy Ryan
