RE: Waiting for Response to DOES THE BOM CORRUPT CLIMATE SCIENCE IN PURSUIT OF THEIR AGENDA?

Dear Dr. Ryan,

This week I was planning to spend some time to respond to your criticisms of the Bureau's temperature records, but actually, this has now been done for me by two colleagues who know rather more about this topic than I do:

http://theconversation.com/no-the-bureau-of-meteorology-is-not-fiddling-its-weather-data-31009?utm_medium=email&utm_campaign=Latest+from+The+Conversation+for+1+September+2014+-+1885&utm_content=Latest+from+The+Conversation+for+1+September+2014+-+1885+CID_146577f390304e85cef434b710995db4&utm_source=campaign_monitor&utm_term=No%20the%20Bureau%20of%20Meteorology%20is%20not%20fiddling%20its%20weather%20data

Cheers,

Kevin W.
